

SCISSORS LIFT

is a reliable and auordably priced lift where it can accommodate most LCD/DLP projectors weighing 33kg or less. With the convenience of a remote setting controller with 3 programmable positions, it provides an attractive solution to recess projector in the ceiling. Depending on usage and/or requirement, the lift can be fully extended to ground for maintenance.

With its slick and quite operation, the XLT SCISSORS LIFT enhances the professional image in your boardrooms, auditoriums, lecture theatres and a host of other special purposed rooms where aesthetics is of a paramount concern.
